

## Kingdom of Bahrain – Power-Gen Middle East 2008

BAHRAIN - The TurboCare Group recently participated in Power-Gen Middle East, an Exhibition held in Manama, Bahrain from February 4th to February 6th with an audience of nearly 3, 000 visitors from more than 50 countries.

TurboCare, as the largest Independent Service Provider exhibiting, welcomed at their booth his Excellency Fahmi Bin Ali Al-Jowder, Minister for Works and Minister in Charge of the Bahrain Electricity and Water Authority the Ministerial.

TurboCare's presence in the Gulf has increased year after year to guarantee both our established customers and the new ones a local, quick and quality response for the maintenance service on their strategic fleet.
